Dear Mr. Weisberg,

I enjoyed our conversation tonight. It seems our experiences have been similar in regard to the FOI Act.

Here is a copy of the Hoover documents obtained from the FBI under FOI, together with a research report put together by our National Commission on Law Enforcement and Social Justice.

I'll be getting in touch with Jim Lesar later in the week, about the rest of the documentation and the press release. I've looked over what he gave me to xerox and it looks good.

I'm sure we'll be talking again soon. Until then,

Best Wishes
